Application for Qualification as
Electronic Return Originator for
Internet-Based Filing and Payment of Taxes

As a representative of _____, I am authorized to agree
to the following on behalf of the above-named company.

NAME OF COMPANY

Our company will develop Internet-based software programs to be used by taxpayers to electronically file the taxpayer's state-administered and non-state-administered (for those counties and municipalities that agree to participate) tax returns for the taxes enumerated in Sales and Use Tax Rule 810-6-7-.04 with the Alabama Department of Revenue ("the Department") or with the appropriate self-administered local taxing authority from a personal computer and to electronically transmit the taxpayer's payments of these taxes to the Department or to the appropriate self-administered local taxing authority.

Our company agrees to comply with all applicable statutes and with all of the Department's rules, guidelines, and specifications respecting the Internet-based electronic tax filing and payment program of the Alabama Department of Revenue ("the Program").

Our company agrees to submit to the Department for its review and approval any Internet-based software developed for use by the taxpayer to electronically file and pay the taxes included in the Program.

Our company agrees to refrain from releasing any product developed for the Program prior to receiving written approval from the Department.

Our company agrees to notify its customers or clients of the minimum computer requirements necessary to utilize the company's Internet-based software.

Our company specifically authorizes the Department to include the name of our company in various public information material designed to inform taxpayers and the public about vendors who have agreed, complied, or failed to comply with the Department's policies, procedures, guidelines, and specifications respecting the Program.

Our company agrees to comply with all statutes and with all of the Department's rules regarding the confidentiality of tax returns and taxpayer information, to inform each of its employees of the confidentiality provisions contained in Section 40-2A-10, **Code of Alabama 1975**, and the rules of the Department, and to advise each of its employees that any unauthorized disclosure of tax returns or taxpayer information may result in criminal prosecution pursuant to Section 40-2A-10.

Our company agrees to inform each of its employees that the law expressly prohibits (i) the disclosure of confidential tax information to third parties for any reason including the use of this information to solicit business from taxpayers and (ii) the release of any data extracted from any database received from the Department without the express written approval of the Department's Disclosure Officer.
